# Sweet sensations...

The fabulously quirky **Charlie And The Chocolate Factory** has opened, and we love it! So allow us to take you on a tour, revealing all of its delights...

ROALD DAHL

Charlie and the Chocolate Factory

Illustrated by

## LOST THE PLOT?!

The world is astounded when the eccentric recluse, Willy Wonka, announces that 5 lucky children will be given a tour of his sweet factory, as well as winning a lifetime supply of Wonka chocolate. Charlie Bucket's desperate to win, but his family are too poor to buy any chocolate bars that contain the golden tickets. Luckily, he gets his hands on one bar and his dreams come true!

Augustus Gloop

Veruca Salt

Violet Beauregarde

## THE OOMPA STRIKES BACK

All of the swarms of **Oompa Loompas** are played by the same dwarf actor, Deep Roy. That's a tall order!

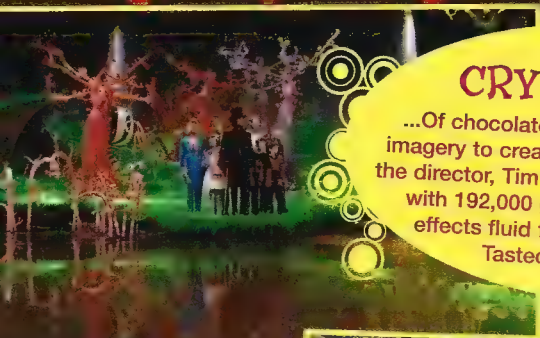

## SWEET!

Nestle are launching a load of real life Wonka treats to accompany the film. Let's hope they do better than Quaker Oats, who made Wonka bars to go with the 1971 film...which melted on the shelves! Chocolate sauce anyone?

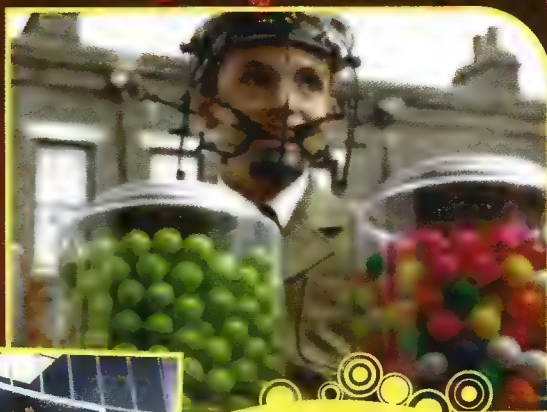

## CRY ME A RIVER...

...Of chocolate. Instead of using computer imagery to create the yummy river in the film, the director, Tim Burton, chose to fill the studio with 192,000 gallons of non-toxic special effects fluid for a more realistic factory. Tasted like dung, though.

## TOTALLY NUTS!

In one factory scene 40 specially trained REAL squirrels crack walnuts and deposit them on a conveyor belt! It took ten weeks of practice to get them to perform the feat. Nutters!

## SPEAK UP BOY!

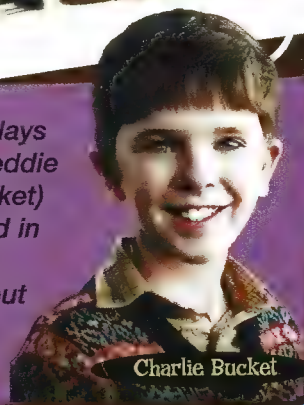

In the new film we learn that Willy Wonka's father was a dentist who not only encased the young Willy's head in a huge brace but who burnt his bags of sweets in the fire. No wonder Willy started his magical sweet factory!

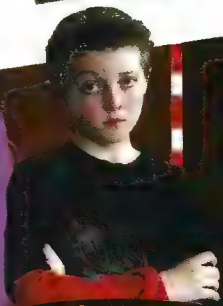

Willy Wonka

Johnny Depp, who plays Willy Wonka, and Freddie Highmore (Charlie Bucket) have not only appeared in another film together (Finding Neverland) but they share the same birthday. Freaky huh?

## VILE VILLAINS

KND operative Numbuh One has set the others the challenge of working out which dastardly villain he's describing. Using his clues, can you crack his code? Think carefully! Their reputation hangs on getting this right!

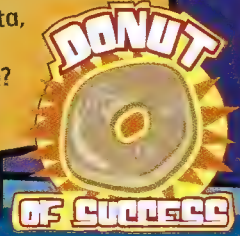

### The villain:

- Isn't smoking
- Has boots on
- Isn't wearing a mask
- Is a human
- Hasn't got a sister in the KND

## ¡MUCHA MATHEMATICA!

It's the end of term at the International School of Masked Wrestling and The Headmistress is trying to work out who gets the prized Donut of Success. Can you help her add the win and draw scores for each mascarita, then take away the lose scores to see who's won? (EXAMPLE: Win=3 Draw=4 Lose=2 so  $3+4-2=5$ )

	WIN	DRAW	LOSE	TOTAL

## THE GREAT DIVIDE

Due to an especially large explosion in Dexter's laboratory (thanks to Dee-Dee's meddling) some of his prized apparatus has been blown apart.

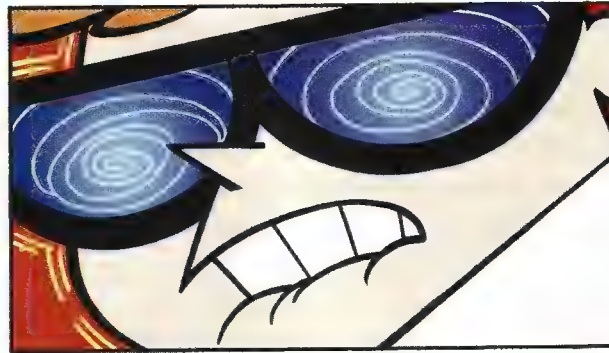

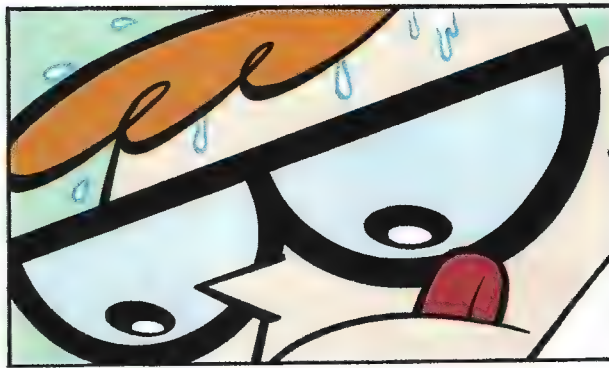

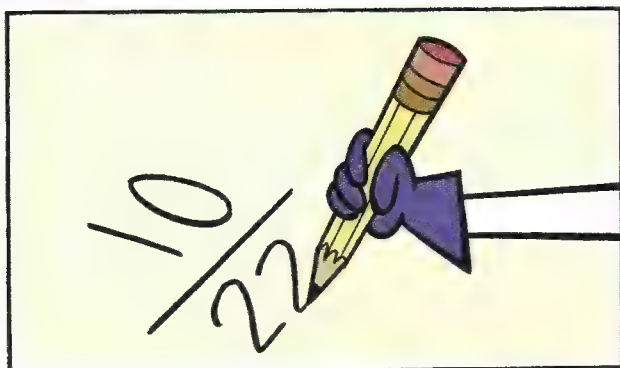

Can you help him match up which words go together so he can get back to his experiments?

TEST	DRIVER
BUNSEN	COAT
STOP	TUBE
